

SHARE Your Time, Talent & Treasure!

Welcome back to an exciting year at St. Francis Xavier Catholic School! Our Home & School Association and Development Office have been behind the scenes planning many fun and community-building opportunities. Your \$15 Home & School Association dues are needed to make these and other efforts possible. This past year, when combined with funds raised from the Family Picnic Celebration, your dues helped underwrite instructional technology, school security and other school facilities upgrades. Your time is also very valuable! Please contribute, at least 20 hours per family, and help create a collaborative spirit of prayer, support and dedication to St. Francis Xavier Catholic School. Last year alone, school families logged more than 2,850 hours and saved our school more than \$65,550! We hope to inspire your volunteer spirit and thank you for your continued support, Jenni Balyeat & Jennifer DePaola, 2016-2017 Home & School Association. Please submit your Home & School Dues by September 1st to the front office. Below is an overview of activities and events you may consider. Complete and return the volunteer form, by September 1st to the front office. For more information contact Esther at esther.kiesel@stfrancisfortmyers.org or 334-7707 ext. 222.
